WORKSHOP ON HEALTH AND HYGIENE

WORKSHOP ON HEALTH AND HYGIENE

A workshop was organized on health and hygiene in Prabhu Dayal Public School on 19th December 2018 for classes VI to VIII. The Resource Person Ms. Arti Girdhar (The Vice President of Disease Management Association of India) emphasized on the need to maintain personal hygiene. She further taught that personal hygiene is a pre-requisite for a disease free body. Moreover, this can be done by cutting nails, taking bath everyday and good eating habits. The students were also educated to keep their surroundings clean so as to prevent the spread of diseases. All the students found the workshop highly educative and decided to follow the measures taught during the workshop. On the whole the workshop successfully conveyed the importance of health and hygiene to the students.

ADOLESCENT ISSUES

THEME: Student's Workshop
 REPORT: Adolescent Issues and Safeguard from Sexual Harassment
 DATE: Tuesday, April 24, 2018

EVENT REPORT

Applly put by Joss Wredon "Everybody who made it through Adolescence is a Hero". Adolescence is the stage of emotional and physical vulnerability as it is loaded with high risk behaviours driven by curiosity. It is therefore, imperative to address the concerns of growing up and show the path of wisdom to the youth of today.

Therefore, G.D. Goenka Public School, Sarita Vihar, partnered with a national level NGO – Disease Management Association of India (DMAI) that runs various health awareness programs on major health issues like stress management, obesity, drug addiction etc.

The workshop was designed to be interactive and was facilitated by Ms. Arti Girdhar and Ms. Renu Garg, veterans in the field of education and counseling. The key challenges of growing up years, high risk behaviours like indulging in substance abuse, sexual activeness and aggressive outbursts were highlighted in the workshop. Issues related to parental pressure, peer pressure and body image were discussed.

The workshop was aimed at equipping students with the ability to deal with some of these issues by giving them techniques to be assertive and stand up for their right; be able to say 'No' to influential peers for things that their conscience doesn't allow. Moral values of Respect for self and others and Responsibility for one's own actions was emphasised upon.

It was followed by two individual and parallel sessions for boys and girls and the importance of safeguarding oneself from Sexual harassment was discussed. Role plays and interactive question –answers made the session a lively experience for the students.

The Disease Management Association of India had conducted a workshop in the school on:

- Personal Hygiene,
- Adolescent problem
- Stress Management.

Ms Arti Girdhar (vice president) and the team i.e., Dr. Komal Lahvani (Program Manager) and Mr. Vikrant Man (Project coordinator) addressed the students of classes IX-XII on various issues such as maintaining personal hygiene, the challenges of adolescents age and the ways to deal with stress at this vulnerable age.

The students were very receptive and open to the pointers received and thoroughly enjoyed the session. It is hoped that the seeds sown will bear fruit in their young hearts and minds in the days and years to come.
